LOOKING TO GET AWAY without going away? Or to spend time in the great outdoors? We all deserve a little break from the real world. Check out these Austin spots – plus a few destinations just miles outside of the city – to enjoy a quick trip this summer.

Hotel Eleven

1123 E. 11TH ST. AUSTIN, TX

With prime location on the Eastside, Hotel Eleven gives you a look into all that's happening in East Austin. The hotel is run by husband-and-wife duo Mark Vornberg and Shelly Leibham, who have dreamed of being hoteliers for years. The world-famous **Franklin** Barbecue and new favorite bar **Nickel City** are both located within a very short walking distance.

Nickel City is one of many Eastside destinations within walking distance of Hotel Eleven.
